PING® TOUR NEWS

Lee Westwood and Mark Calcavecchia scored double PING wins in South Africa. See recap next page.

2 MORE PUTTERS FOR VAULT; 26 TITLES SO FAR IN 2011

Lee Westwood's and Mark Calcavecchia's victories at the Nedbank Golf Challenge in South Africa bring to 26 the number of gold-plated putters added to the PING Gold Putter Vault in 2011.

Calc relied on a new Anser 3 Milled, and Westwood on a Redwood Anser. Twenty different PING models have been used to win tournaments worldwide. The Scottsdale Series has the most wins with nine. A long putter has a victory, and a belly model has two.

PING Pro Gregory Havret came out firing on the weekend at the UBS Hong Kong Open. His 66-65 finish earned him a solo second, two shots back. It was a timely momentum builder for the Frenchman. He is one of five PING pros competing in this weekend's elite, 60-player Dubai World Championship. See field below.
